PRESIDENT’S NOTE

I truly can’t believe that summer is almost over and fall is upon us! Fall is a wonderful season, full of beautiful hues, warm apple cider, bountiful harvests, and that ever-familiar autumn crisp in the air.

Reflecting back on DSTA summer events, there is a lot to talk about!

Our July golf outing was once again a huge success, despite having fewer golfers than in previous years. Thank goodness for sunny weather and an abundance of spare golf balls! Thanks to all that participated, as this event provides most of the funding for DSTA annual operations (including our annual holiday gathering).

The Family Fun Outing aboard the Sundew in August was a huge hit with over 100 members, friends and family in attendance. The weather looked questionable early that day, however it cleared up in time to cruise the harbor/lake with the sun shining down on us all. A huge “Thank You” to Jeff and Toni for sharing the Sundew and her crew with us for the evening!

Looking forward, our second annual DSTA “Fall into Fitness Challenge” will commence on Monday, September 25th, which will once again be spearheaded by Miriam Hanson, Jeff Foster Trucking’s Health and Wellness Advocate. The “Lean Queens” from Halvor Lines were the winning team in 2016 and lost 4.35% of their body weight. The top three teams lost a total of 118.5 pounds! Please attend our September 20th meeting at The Epic Restaurant in Superior, as Miriam will fill us in on details for this year’s challenge.

In closing, take care and stay safe!

Until next month...

NEMADJI GOLF OUTING RECAP

By Dawn Evans

This year, like most years, July 19, was a hot, sunny, perfect day for our annual DSTA Golf Outing. The Nemadji Golf Course, their staff, and our board members did an outstanding job organizing this year's golfing event!

As always, the annual golf outing is one of our most popular events. This year we had 104 people golf, and fun was had by all! Next year let's set a goal to make it 150 golfers!

We would like to say a special thank you to Debbie Landry and Pam Hammann for all of their hard work putting this wonderful event together!

FALL INTO FITNESS INFO.

Fall Into Fitness is right around the corner! I am presenting the Fall Into Fitness Challenge for 2017 to the DSTA on September 20th. Please make sure to attend that meeting for a brief update on the state of Health and Wellness in the Transportation Industry and an explanation on the details of Fall Into Fitness 2017. The challenge will begin on Monday, September 25th and will run for 8 weeks, terminating just before Thanksgiving. Please click on this link: <https://www.surveymonkey.com/r/6VJ85ZW> to provide input.

Last year's winning team, "The Lean Queens" at Halvor Lines, currently holds the traveling trophy. Start thinking about getting your team together to claim this trophy for YOUR workplace! We are looking for at least 9 teams, of 5 members each. Team participants do NOT have to be DSTA members. Great prizes!!
