Duluth-Superior Transportation Association News

SEPTEMBER 2020

President's Note

September is upon us and it's time to get back into our regular routines. Easier said than done. School is back in session. Summer vacations are over. Transition to fall, a presidential election, and winter prep are impending. Each of these have taken on a new feel.

Your Board of Directors is working to bring you valuable content in whatever way possible. We are working on another remote learning session, a virtual fundraiser, and helping you shed the extra Covid weight you may have picked up. Read on for details on some of these developments. Thank you for your understanding during this difficult time. It was hard to bring the news of canceling the annual golf outing. We're also planning to hold our Past President's Night and Holiday party in a remote fashion. We will be exploring options for remote voting.

During these times it's important to keep sight of what we can be grateful for. I hope everyone is continuing to stay safe and healthy. Remember to keep in touch with friends and family. Make time for yourself and take advantage of the great outdoors.

Thank you and I'm looking forward to staying in touch in whatever way we can.

Joe Schiff, DSTA President

Hello DSTA Members,

This year certainly has not been easy and planning meeting events has been challenging. The board is working hard to ensure we can still provide value to membership.

This month, we will be holding a virtual Food Drive to be able to offer support to our local food bank. Businesses are also welcome to start food collection in their sites and the DSTA board will coordinate pickup.

We also look forward to the annual weight loss challenge beginning the end of the month. This will be a great opportunity to have some friendly completion and offer a welcome distraction to current events. Please see information on sign up on the next page.

Feel free to reach out to the board with any questions and stay safe.

SHED THE "COVID-19" WEIGHT LOSS CHALLENGE!

Move over, "Freshman 15." There's a new belt-busting threat fueled by the coronavirus pandemic cramming Americans into their homes, dangerously close to their snacks, sodas, sofas and streaming videos. Beware gaining "the COVID-19."

While this repurposing of the disease's name obviously is lighthearted, the struggle is real. After all, the current situation is a recipe for weight gain. It doesn't have to be, though.

In fact, just as simple things like washing hands, staying home and keeping six feet apart when in public can help slow the spread of the coronavirus, easy options exist for eating healthy and being active.

Joining this challenge may be exactly what you need to get rolling with life again!

CHALLENGE RULES

- Five members per team. Each team needs to designate a team captain.
- Team members DO NOT have to be all employees (family & friends are welcome)
- Enrollment fee of \$10/participant
- **ALL ENROLLMENT FEES GO TO CASH PRIZES**, so the more participants the more cash available for prizes!
- First weigh-in will be on or before Monday, September 28th.
- Final weigh-in will be anytime between Friday November 20th and Monday, November 23rd.
- Weigh-ins are every Monday. Simply email your team captain your weight. If you're not comfortable with that you could also directly email me. First and final weigh in's will require a code word.
- Team Captains will report team weights directly to Jason Crisp.
- Overall goal of the contest is to see which team loses the highest percentage of their original weight.
- Prizes will be distributed to the top three teams, the highest % weight loss participant of each team, and the overall top male and female % weight loss losers. Winning team will receive the traveling trophy!
